

CLEAN SOAP FOR HANDS

allegrini
HO.RE.CA. & FACILITIES

ANTIBACTERIAL SOAP WITH A NEUTRAL PH

- Guarantees deep-down cleaning for the hands.
- Protects hands from germs and bacteria.
- Ensures hygiene and maximum softness.

SUGGESTIONS

Particularly recommended for following HACCP protocols.

DESCRIPTION

Effective and thorough hand washing is essential for preventing bacterial proliferation and for ensuring proper hygiene in professional environments such as catering services, hotels, gyms and spas. CLEAN SOAP HANDS is a pH-neutral liquid antibacterial cleanser that contains triclosan, a special antibacterial agent that helps protect the skin from germs and bacteria. Ensures maximum hygiene and softness for the skin, day after day.
